

SS Freshspring Sunday 31st October Bideford North Devon

Come on board and explore [SS Freshspring](#), the last remaining ship in its class with engine and interior intact and restored by local volunteers. Meet the team and enjoy a look around with a teddy bear challenge for youngsters and detailed information for interested adults. Have a break for some fishy snacks (fishfinger sandwiches and fish chowder might be on the menu!). Follow this up with a performance of sea shanties by [Mariners Away](#) and join in the choruses.

Children can take part in a fishy tales storytelling and workshop session (aimed at 3-7yrs) or join in the singing.

**** Places on the children's workshop are limited and only available to adults purchasing a ticket. To book your child a place on the fishy tales workshop, please e-mail info@theburton.org.***

Schedule for the afternoon

1-2pm: ship tours, food, and fishy tales children's workshop (places limited - booking essential)

2-3pm: Sea shanty performance - a participatory event with [Mariners Away](#)
